

ABBIATI

CASINO EQUIPMENT

• **ITALIAN**
QUALITY & DESIGN

The Abbiati Company is privately owned by the Abbiati family and is based in Turin, Italy. Abbiati Casino Equipment has been in business in excess of 40 years and offers its professional articles for Casinos.

Abbiati has built up an international reputation and client portfolio with almost every Country and City that offers legalized gaming.

The company is on two sites within 50 meters from each other; the first one is of Headquarter Office, Show Room and Production facilities and the second one is destined for assemblage and storage; with the option of expansion on both sites.

Abbiati Casino Equipment's main business is manufacturing and supplying Casino based equipment as used in live gaming: Roulette Wheels, Tables, Security Currency including Value Chips, Plaques and Jetons and all styles of gaming layouts, together with technical back-up of full CAD design and services.

Our manufacturing facility is split into three main sections, all located under the same roof:

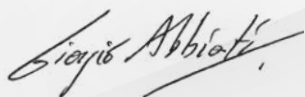

- Security Currency Chips and Plaques are manufactured in the latest injection moulding production line automated by robotic and CNC machines, incorporating the latest **RFID Technology** using **13.56 MHz with PJM**.
- Tables and Roulette Wheels manufacture and assembly incorporate our CNC machining processes to ensure quality and precision, along with Layout design and printing department for both wool and synthetic products.
- Electronic departments for the assemblage of Winning Number Displays, Laser Roulette Wheels and Independent electronic levelling systems for Roulette wheels.
- Floor-wide display for PB Baccarat, with possibility of a direct connection to intelligent shoe; distribution of playing cards.

All our manufacturing processes are supported by our R&D, technical CAD and Graphic departments to ensure Italian Quality and Design.

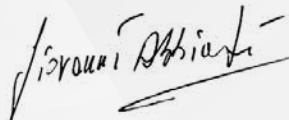

Abbiati supplies the Security Currency committed to Worldwide Casinos: Quality, Service and Security are prime objectives for the Abbiati Company, and its facilities are equipped with security areas with high surveillance for the Casino Currency.

Our consistent growth and success stands as a witness of our continued commitment to deliver high quality, flawless products and services.

From traditional classic through to contemporary bespoke styles, Abbiati Roulette Wheels are the product of choice for many operators across the world.

High quality Italian design and manufacture with comprehensive and stringent testing supports the GLI-25 certification performance and complete randomness.

Patented high precision laser sensors can be *invisibly* embedded in the ball track which can provide for auto number recognition and many other game event signals for game management and player attract and reward messaging.
